The tables within this report display election results broken down by Wards within the City of Lewiston, Maine.

The heading "C-V" under the Ward and Precinct titles indicates CENTRAL VOTING which is a category designated for the tabulation of absentee ballots, and ballots cast by newly registered voters registering the day before or the day of the election, or voters with address changes occurring the day before or the day of the election.

A list of Wards and Precincts eligible to vote for a particular office appears next to each office heading. Wards and Precincts showing a zero vote count for any office were most probably not eligible to vote for that particular office, or no candidate for that office was on the ballot.
